4. Drive to Control Dengue

In the month of October and November 2018, again our Durg city was rocked by Dengue fever. Our NSS unit has again selected some area of town viz. Smriti Nagar, Padmanabhpur, Deepak Nagar, Risali and Ganpati Vihar Borsi and visited almost every house, removed stagnant water from desert cooler, pot, ditches, bottle, coconut shell etc.; created awareness among people about cooperative feature for damage. Our unit has also given information about Dengue to district authority and helped them

Besides, the unit has maintained campus throughout the year by its regular activities.
