## REPORT ON ACTIVITIES OF NSS IN 2017-18

The NSS unit of Government V. Y. T. PG Autonomous College Durg, has extensively taken part in Swachh Bharat Abhiyan besides its normal activities in session 2017-2018 has organized several programmes.

### Aim and Objective-

The aim and objective were to create awareness among students as well as citizens about cleanliness of the surroundings.

**Action Taken-** To fulfill the aim and objectives our NSS team had organized following programs.

1. Annual Camp- In 2017-18, the annual Camp of NSS was organized in village Samoda, nearly 24 kilometers away from college campus for seven days, between 10-01-2018 to 16-01-2018. Total 108 students, besides NSS officers and college staffs have stayed there to seven days and serve village with following activities

# Govt. V.Y.T. PG Autonomous College, Durg, (Chhattisgarh), INDIA

(Erstwhile: Govt. Arts & Science College, Durg)

- Cleaning of village, sewerage system, roads, Panchayat premises, school and nearby area
- Performed Nukkad Natak for Nasha Mukti, significance of education and need of cleanliness.
- Performed survey of village women for standard use sanitary pads
- Filled all points in village having probability of water logging
- Organised sickle cell anaemia testing camp and eye checking camp.

2. On 31-10-2017 the unit has organised a rally of NSS cadets along with programmes officer with banner, poster and slogan and marched across Rajendra Park Durg to Patel Chowk Durg. After rally all NSS members have organised a symposia and discussed about need and significance of cleanliness. Another significant outcome was the symposia has expressed message of unity of society,

irrespective of caste, creed of religion.

3. On 14 August 2017, the NSS unit of the college has participated in Swachhta Rally organised by Hemchand Yadav University Durg. In this rally our unit was in-charge of section of the society i.e. From Kalyan College Bhilai to Bhilai railway station. In this we have not only performed our services for cleaning of surroundings but have also given a message to residents by the use of song, slogan and poster. Our NSS volunteers have narrated the need of cleanliness to the member of society especially in view of Dengue epidemic.

4. In 2017, our Durg Bhilai city was adversely affected by Dengue epidemic. During the period our NSS volunteers have approached quarter after quarter as assigned by District authority. Our NSS volunteers have approached every and each home of Junwani, Smriti Nagar, Katul Board, Sector 8, Sector 9, Sector 10 and Deepak Nagar and removed all stagnant water resources, viz. Desert cooler, earthen pit, ditches etc and informed residents regarding mosquito larva life cycle responsible for Dengue fever. Besides above NSS volunteers have credit to maintain cleanliness of our college campus.
