

Ozone day

To spread awareness about the depletion on ozone layer, the department of chemistry of Govt. V.Y.T.PG Autonomous College, Durg celebrated the world ozone day on 16th of September 2021. The students of M.Sc. previous and final were actively participated in various competitions like painting, speech and short video making competition organized by the department. Pragati Agrawal from M.Sc. final made painting/ drawing on the subject Covid- 19 & Ozone and tried to show the current condition of ozone layer, where AmanVerma from from M.Sc. final give message of Save the environment. Some students also gave speech in this topic. At the end our head of the department Dr AnupanaAsthana reminds us that ozone is crucial for our life on earth and we must continue to protect the ozone layer for our future generations also.
