

# Department of Psychology

## Govt. V.Y.T. PG Autonomous College, Durg (C.G.) India

### Program: BA Psychology

#### Vision

The department realises the lack of awareness and understanding of the relevance of Psychology both as a theoretical and applied branch amongst students specifically those belonging to weaker socio economic backgrounds in smaller towns. With such perspectives in mind, the department envisions spreading awareness and understanding of the crucial impact of psychological issues on man, his relations and interactions as well as society at large.

#### Mission

- The department is consistently engaged in helping students develop insight and creative outlooks towards psychological aspects beyond syllabus.
- Faculty members constantly strive to prepare students to look beyond and broaden their perceptions and cognitive abilities.
- The department endeavours to inculcate a culture of psychological perspectives amongst the youth and foster batches of psychology friendly students who would contribute in the long run towards a healthy, sensitive, and insightful society and nation in the long run.
- To facilitate latest learning aids, guest lectures, , field work, study tours.
- To design a curriculum and academic calendar for upgrading students knowledge and skills.

#### Program Specific Outcomes (PSOs): BA- Psychology

- Understanding of basic psychological process.
- Understanding of mental health disorder and Psychopathology.
- Understanding human behaviors under social setting and Psychological Assessment and test.
- Understanding and practices of psychological statistics
- Understanding Human Development and environmental ethics and Human Nature .
