

Awareness program (2020-21)

To create awareness among the students about the covid-19 and to know the importance of trees, especially in this pandemic environment, the department of chemistry of Govt. V.Y.T.PG Autonomous College, Durg had been organised a one day awareness camp on 30th June 2021 at Govt. Higher Secondary school, Hanoda. They conveyed all the mandatory precautions and advisories regarding corona virus. They also distributed masks and hand sanitizers and explained to the students and also the Sarpanch of that village, Head master of the school and other staff members the proper way of wearing it. At the end by keeping today's condition of environment they planted trees, and take assurance from students to take care of this trees.
