Hanoda School Visit Report, 30th June,2021

On 30th June,2021, 7 faculty members and 9 students of Department of Geology and Department of Chemistry paid a visit to Govt. Middle School, Hanoda, District Durg. During the visit, they sensitized the school children about COVID-19 and distributed mask and sanitizer to 34 school children. The college students explained about the importance of environmental conservation through plantation to the school children. The college students also planted saplings of Guava, Goose Berry, Kachnar, Neem and Custard Apple in the school campus under the supervision of the faculty members. The sarpanch of Hanoda, Shri Sahu and few villagers of Hanoda were also present on this occasion.

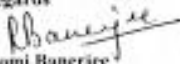

During the visit, college faculty members and students had interaction with the school children and staff members of the school. They invited them to the college. Senior staff member of the school, Smt. Pragya Singh Thakur, who is one of the illustrious alumni of our college, lead the visitors and showed them the school campus. She also showed the TLMs (Teaching Learning Models) prepared by the students and teachers of the school. The visitors appreciated the efforts of the teachers of the school.
