

*“CELEBRATING THE SELF” FOR “MEDICA” ZEINICA,(NGO) BOSNIA HERZEGOVINA
15.06.2017 - 16.06.2017*

A two day workshop on celebrating the self was conducted for Medica Zenica by Dr. Somali Gupta on the theme “Celebrating the Self”. “Medica” Zenica is an NGO in Bosnia Herzegovina , that works on rehabilitating the women who have been affected by the war for the last three decades. These are women and children are survivors of war rape and sexual violence, peacetime rape and other forms of domestic and community violence, as well as survivors of human trafficking. (<https://medicazenica.org/>) Celebrating the self was a workshop that was aimed at rejuvenating the facilitators who work at the grassroot level with these women and are often emotionally drained in the process. Dr Gupta, as a behavioural trainer conducted a program for two days that rested on Emotional Intelligence.
