

Report on Entrepreneurship Workshop

Three days Entrepreneurship Workshop had started in Physics Department from 4 December 2018 to 6 December 2018. On the first day Dr Abhishek Kumar Misra welcomed Smt. Pratibha Gupta, Program Officer CITCON. During this workshop lectures was given by Sri Suprabhat Sheel and Mr. B.P. Dubey. They told students history and objectives of entrepreneurship by giving examples of Facebook, Google and Amazon like companies. On the final day of this program students visited Supreme Industry Hathkhaj Bhilai. Students knew about making of naphthalene balls from waste material supplied from BSP Bhilai. In this program more than 85 students participated and visited industry.
