

International year of Periodic Table (2019-20)

On the occasion of International year of Periodic Table 2019, Live Periodic Table was made by students of Chemistry department. PG students also actively participated in various competitions organized by Department.

INTERNATIONAL YEAR OF PERIODIC TABLE

The United Nations has designated 2019 as the international year of the periodic table of chemical elements. By accounting this fact DEPARTMENT OF CHEMISTRY of GOVT. V.Y.T. PG AUTO COLLEGE, DURGA has organized one day celebration of IYPT and the centre of attraction of that celebration was the formation of human periodic table by the students of M.Sc. Chemistry and B.Sc. chemistry aiming to learn and gain complete knowledge about periodic table.
