

## **Awareness Programme (2019-20)**

An awareness programme related to environment protection awareness with the help of dance, drama and posters, conducted by Chemical society of college at Govt. Hr Sec School, Belodi Village. Villagers and school students were attended this programme and got benefited.

### **1. Awareness program organised by Department of Chemistry**

keeping today's Society of prejudice in mind, the chemistry department of Government V.Y.T. PG autonomous college Durg, to eradicate societal Prejudice and orthodox Thinking had organised an awareness program pointing and focusing on heated topic like "Beti Bachao beti padhao and Nasha Mukti Abhiyan"

On Wednesday 15th of January 2020 one day awareness camp had been organised by the department of chemistry, Government V. Y. T. PG autonomous college Durg at Government Middle School balodi in which students of both MSc previous and final actively participated. by performing drama dance motivational songs and speeches they conveyed and spread messages about girl child education, alcohol Ban issue cleanliness, scholarship scheme etc. At last, keeping in mind about the environment they planted a tree. And take assurance from the students that they will follow good practices and take care of this tree.
