Lecture on Stress Management

05.12. 2017

Objective: To Understand how to deal with Stress.

Women cell, Vishakha Samiti & Psychology department of college jointly organized a guest lecture on 'Stress Management'. Dr. Ushakiran Agrawal, professor, psychology, Govt. D.B Girls College, Raipur delivered a lecture on 1st December 2017.

Dr. Ushakiran Agrawal explained how stress is a part of human life and explained causes of stress and, its effects on body and mind. She explained in detail the way to manage stress effectively. She told that the effective stress management helps us to minimize the stress in our life, so that we can be happier, healthier, and more productive. The program was appreciated by faculty and the students. Total girls 51 and boys 31 attended the program.

Two-Day Workshop on Communication and Interview skills

A Report

A two day workshop on "Communication and Interview skills" was organized for the B.Y. students of M.A. English Sem II and Sem IV on 6th and 7th October 2017 in the Tagore Hall. The invited resource to conduct this two day workshop was Dr. G.A. Ghanshyam, Professor of English, Govt. College Chirmiri.

The objective of the workshop was to improve English Communication skills and develop the competency of the students to face interviews.

The workshop was inaugurated by the Principal of the institution who in his inaugural speech urged the students to make full use of the workshop in order to enhance their communicative skills and learn techniques & skills to face interviews.

Dr. G.A. Ghanshyam was given a heartfelt welcome by the faculty followed by Dr. Suchitra Gupta's address to the gathering. She stated the objectives of the workshop. Dr. G.A. Ghanshyam began his deliberation emphasized the need of teaching Communication & Interview skills

in the recent technologically and culturally changing scenario. He began his presentation with small modules on - Basics of Grammar, parts of speech, Tense and Verbs etc. The activities helped the students to get acquainted with the simple formation of sentences, check and improve their proficiency in all areas of communication. He also taught the students the nuances, strategies of appearing in interviews.

Assisted by the faculty members the workshop was learner-centric and nearly 78 students participated in this two day workshop. Their response was overwhelming.

Outcome: The workshop addressed the issues raised by the students. They felt excited and energized to work more on language and soft skills. They also demanded for many more such workshops in future.

Three-day awareness program on Self-defense

by

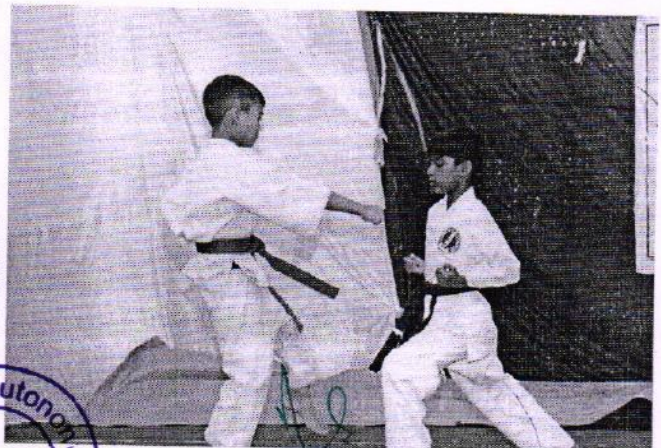

Budo Marshal Art Association, Chhattisgarh

24th Sept. to 26th Sept. 2016

Objectives – To teach the art of self-defense to develop a well-balanced mind and body, through training in fighting techniques.

Self-defense and self-protection are the important priorities for women. The most common crime to happen to a woman is rape, but it is more about a feeling of dominance from one person over another rather than actual sex. The main aim of Martial Art training is to physically defeat other persons and to defend oneself or others from physical threat.

Three-day training program on self-defense was organized by Women Cell and Internal Complaint Cell (Vishakha samiti) for girls by **Budo Martial Art Association, Raipur, Chhattiagarh**. Total 31 Students attended this program.

REPORT ON

A Guest Lecture on Psychoanalytical approach to Behaviour

Date: 11.11.2016

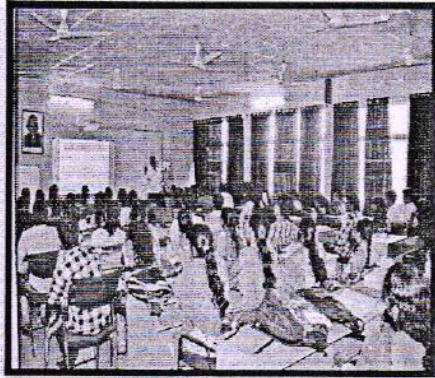

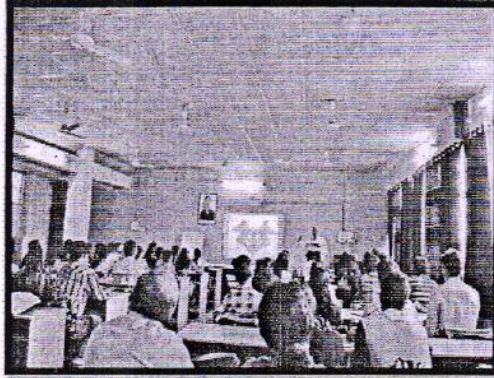

Objective:

To develop practical insight of *Psychoanalytical approach of Behavior.*

A Guest lecture was organized by department of psychology on 11/11/16 at the A.P.J.Abdul Kalam Hall .The lecture was delivered by Dr. P.K. Shrivastava, Retired Head of the department of Education, Kalyan College, Bhilai on the topic "Psychoanalytical approach to Behaviour". Dr. Shrivastava highlighted the necessity of understanding hidden motives that lay repressed in the unconscious mind and influence behavior. More than 50 students were participated in this event.

Outcomes: Student learnt about Psychoanalytical approach to Behaviour with projective techniques.
