Session : 2016 - 2017 Date : 30.01.2017 - Study Tour to the Central Library

Date : 30.01.2017 - Study Tour to Muktagan, Raipur

Department of English

Date 30 Jan, 2017

A Report of Study Tour to the Central Library, Raipur and *Purkhoti Muktagan*, Naya Raipur

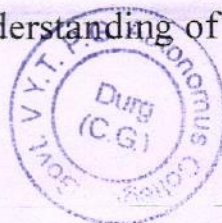

Purpose:

The Department of English organized a study tour on 30 Jan, 2017 to the Central Library, Raipur and *Purkhoti Muktagan*, Naya Raipur. The purpose of the visit was to make students understand the term "nature" by taking a step away from "Anthropocentrism" and to get a glimpse of the folk culture of Chhattisgarh displayed at *Purkhoti Muktagan* and analyse the literary texts through a distinctive lens. This trek of 23 PG students along with four faculty members, Dr. Mita Chakraborty (Head, Department of English), Dr. Qamar Talat, Dr. Mercy George and Dr. Meena Maan opened up a new thought of 'being a part of nature' in students the lunch that the students took amongst the trees and below the skies was an experience in itself.

Visit to the Central Library, Raipur, was to develop the study skills of the students. The library had acquired next-generation resource discovery tools with Google-like searching from the library homepage. The library had devoted sufficient space for the books on competitive examinations conducted round the years by union public service commission and Railway Board.

Outcome of the tour:

The study tour gave rise to lot of questions pertaining to ecology, eco-criticism, environmentalism and most importantly the role of culture, folk-lore and tribal culture in the understanding of literature.

साइबर क्राइम जागरूकता

दि. 13.9.17 को टेगोर हॉल में

महिला प्रकोष्ठ द्वारा साइबर क्राइम जागरूकता पर कार्यक्रम का आयोजन किया गया। इस कार्यक्रम में दुर्गा महिला सेल की एस. पी. सुरेशा चौबे मुख्य वक्ता के रूप में उपस्थित हुईं। उन्होंने छात्रों को सचेत रहने की सलाह देते हुए बताया कि सोशल मीडिया का रचनात्मक उपयोग लाभप्रद है परन्तु यदि हम अपनी फोटो और व्यक्तिगत जानकारी अपलोड करते हैं तो उसके दुष्परिणाम भी हो सकते हैं। अतः सोशल मीडिया का उपयोग सतर्कतापूर्वक करना चाहिए।

इस अवसर पर भारतीय महिला हॉकी टीम की पूर्व कप्तान सबा अंजुम भी उपस्थित थीं। उन्होंने छात्रों को मार्गदर्शन करते हुए बताया कि डिजिटल युग में पासवर्ड भी ढ़क हो सकता है। सोशल साइट्स (फेसबुक, व्हाट्सएप) में शेरी सी लापरवाही भी बड़ी समस्या का कारण बन सकती है।

कार्यक्रम की अध्यक्षता महाविद्यालय के प्राचार्य डॉ. एस. के. राजपूत ने की। महाविद्यालय की महिला प्राध्यापक एवं छात्रों ने इस कार्यक्रम में उपस्थित होकर एवं प्रश्न पूछकर महत्वपूर्ण जानकारी प्राप्त की।

Respected Madam,

Greetings from Borosil !

This is with reference to my visit to your Institute on dated 27.07.2016.

As discussed I propose an in-house seminar on Laboratory Glassware at your College seminar hall.

As children are the future of every country, their safety while working with Glassware in Laboratories shall be of top most priority,

We, at Borosil want to educate College children about safe handling of Laboratory Glassware in school Laboratory and we will give a small presentation on safe handling of Glassware in Laboratory. This would majorly include the following topics:

- i. Type of Glass & its properties
- ii. Why only 'Borosilicate' Glass is recommended in Lab
- iii. Safe working in Laboratory
- iv. Pipetting & Titration Technique
- v. Cleaning and drying of Glassware
- vi. Do's and Dont's in Laboratory.

Please note this would be a 45-50 minutes presentation where, we would be doing hands on training on application of important Lab Glassware in Laboratory.

We have developed our safety posters to be displayed in your college Laboratory. We would like your kind support to conduct this seminar at your school for the benefit of Students and Laboratory staff.

During this seminar we would like to display few of our important product ranges which student can see and relate them with the application.
