

**1. Title of the Activity-** Excursion Trip of Bhoramdev Wildlife Sanctuary.

**2. Date & Venu – 16.01.2017**

**3.No.of participants - 45**

**4.Outcome of activity –** Understanding importance of environ ment.

**5. Discription of Activity - Our environment** is what houses and helps our ecosystem grow and thrive. Without protecting and taking care of our environment we're putting so many lives at danger such as animals, plants and crops, and even our own. All of the ecosystems that make up our environment are deeply connected.

To understand the importance of forest ecosystem a jungle safari trip was organised for PG students of Zoology department.

- *During Bhoramdev wild life sanctuary tripa lecture session was arranged at State Van Vidyalaya Kawardha .A lecture on wildlife given by DFO Forest range Kawardha*
