| Brief report | National Pollution Control Day 2021 is observed annually on December 2 to remember the people who lost lives during 1984 Bhopal Gas Tragedy. It is also the day to raise awareness about the hazards of air pollution. To celebrate National pollution prevention day, Poster and Slogan Competition was organized by the Department of Microbiology of Govt. V.Y.T.PG. Autonomous College, C.G. on date 02.01.2021. Students of M.Sc. II and IV Semester were actively participated in the competition. They beautifully expressed their feelings about the causes and preventions of Soil, Water, Air and Noise pollutions through their posters and Slogans and make an appeal to save our earth and creatures from pollutions. |
| Out come | Students recollect the causes and consequences of air pollution and express their role and responsibility in the form of posters. |
