

DEPARTMENT OF MICROBIOLOGY GOVT. V.Y.T. PG AUTONOMOUS COLLEGE, DURG

Training for Lab Technicians

(24-25 January 2017)

A Microbiology Practical Training program was organised for the Lab Technicians of our college on 24-25 January 2017. Total 23 Technicians from different departments were participated enthusiastically and understand the Microbiology practical to be performed by the UG and PG students.

All the Lab Technicians were shown with types of glassware and tools used in Microbiology laboratory. They were demonstrated with working and precautions of different instruments used during experiments. They were also explained with Dos and Don'ts of labs.
