

DEPARTMENT OF MICROBIOLOGY GOVT. V.Y.T. PG AUTONOMOUS COLLEGE, DURG

Practical Skill Development Program for School Teachers

(3-4 October 2016)

A teacher's training program was organized on 3-4 October 2016 for Biology Teachers of Durg District. All the participating teachers were upskilled by observing relevant experiments performed in Microbiology. They were provided with a presentation based on scope and importance of Microbiology and demonstrated different bacterial and fungal cultures with their macroscopic and microscopic observations.
