

PHYSICS LAB VISIT BY PARTICIPATING STUDENTS DURING INSPIRE PROGRAM (24 OCTOBER 2016)

The Physics Lab was visited by participating students during Inspire Program 24 October 2016. The students seen the apparatus and circuit diagrams and learn the method of doing experiments in Physics. The students were very keen to see the equipments and techniques used for measuring physical parameters. During the lab visit the Prof. Purna Bose, Prof. Jagjeet Kaur Saluja, Dr. Anita Shukla and Miss Deepika Chandrakar were present. More than 60 students were participated in this activity.
