Teachers must not focus on completion the syllabus but also focus on the learning and understanding of concepts.

Bahut achha hai

syllabus should be covered properly with proper class allotted with proper time table

I am satisfy with the efforts

Classes and teachers should be regular with the students and classes

So please helping for study

Mujhe lagta hai ki teacher's aur baccho ka bond strong hona chahiye . Teacher's ko Hindi v English donon hi bhashaon mein acche se bacchon samjhana chahie.

English medium should be encouraged

हम ऐसे संस्था को क्या ही सुझाव दें जो बच्चों के भविष्य के साथ खिलवाड़ कर रहे हैं

रिक्त शिक्षकों की कमी को दूर किया जाय तथा प्रतिदिन शिक्षक को कक्षा में उपस्थित होकर केवल पाठ्यक्रम को ही न पढ़ाकर विद्यार्थियों को अन्य क्षेत्र के बारे में भी जागरूक करें।
जिससे वे अपना मार्ग सुनिश्चित कर आगे बढ़ सकें !

Sbhi teachers bahot achha pdhhate hai

Always trying

सर्वप्रथम शिक्षकों को सही समय पर पाठ्यक्रम सम्पूर्ण कराना चाहिए वह भी सही तरीके के साथ वरना कई तो कक्ष में कदम भी नहीं रखते.....

पाठ्यक्रम के आधारीत

छात्रों को बोर्ड में या डिजिटल बोर्ड में उदाहरण सहित , चित्रण सहित, प्रयोगात्मक तरीके से शिक्षण देना चाहिए

Try to reach every student and ask for their doubts And motivate students for their good career plan and give them ideas.

Every student are provides chance and every student are best presentation tham

गुरुजनों को चर्चा और पाठ्यक्रम के अनुसार पढ़ना चाहिए तथा भविष्य में उसका क्या उपयोग होगा और वह किस प्रकार इन चीजों को सीख कर अपना भविष्य रोजगार पूर्ण बना सकते हैं सॉफ्टी स्किल को सीखने की जरूरत है महाविद्यालय में साफ सफाई की बहुत जरूरत है और सूचना प्रसारण या नोटिस जारी करने में बहुत देर होती है जिस दिन कार्यक्रम में उसी दिन नोटिस जारी कर देते हैं ऐसा नहीं करना चाहिए उससे पूर्व नोटिस जारी किया जाना चाहिए जिससे विद्यार्थियों को समय मिल सके ।पाठ्यक्रम के अनुसार विद्यार्थियों को भ्रमण के लिए ले जाया जाए तथा कॉलेज के द्वारा वह खर्च को बढ़ा कर दिया जाए जिससे विद्यार्थियों पर भरना पड़े। धन्यवाद

Lack of new Book in the college, please remove it and bring new Books for students.

Improve regular class.

Jyada se jyada seminar presentation aur test liye jaye

Yaha sikhne ke liye kuch kash nahi hai bsc me keval theory hi padhaya ja raha hai practical me bilkul dhyan nahi dete hai

Padhai bilkul kharab hai or exam ke Anser paper ko streetly chek kiya jata hai

कॉलेज में प्रत्येक कक्षाओं में प्रोजेक्टर की व्यवस्था हो , कॉलेज में annual function जैसे कार्यक्रम आयोजित किया जाये जिसमे सभी students को शामिल किया जाए । College में maths practical को अच्छी तरीके से करवाया जाना चाहिए । College ke library में timing व्यवस्था में सुधार किया जाए तथा students को book time पर उपलब्ध होनी चाहिए । होली जैसे बड़े त्यौहार भी कॉलेज परिसर में होना चाहिए तथा कॉलेज के सभी छात्र व छात्राएं तथा सभी professor इस होली जैसे पर्व को बड़े ही धूम धाम से मना पाए ।

I feel the environment (eg:- old benches & chairs , dirty blackboards, the cracking walls)of the classes in our college could possibly be improved to a much further extent.

Other than that the faculty, the students , and the overall learning experience is pretty decent.

Point to point interaction with student in every aspect

Syllabus ki clarity, semester exam me shi tarike se mark de jisse student bhi santust ho or teacher bhi

Need the teachers well communicate with the students

....

The institution should focus on students practical(lab practices) learning and have to took them for industrial visits and educational tours.....

Regular weekly test and discussion about students answer writing

There is a huge lack of organisation in college. The timings, notices, information about exams, results admissions is extremely scattered. There's not a single perfect accountable person for it, so students just keep roaming around to different teachers for every little thing. Also, infrastructure, toilets especially girl's toilets are extremely dirty and smelly. They're very inaccessible and cramped. Very small area making it hard for so many students to use. Secondly, nobody cares about actual knowledge or learning here except very few actually good teachers. Except few teachers who are actually very sincere rest are just after to complete the syllabus somehow that's it. Thirdly, there is a very messy situation in classes too, there is no permanent official class representative, and since very few people attend classes the information is nowhere. Nobody knows what's happening. No teacher would take any responsibility for any class too. There's a strong need to keep an inquiry desk in college for everything, then need for class representative and assigned group of teachers for specific

group of classes, like 2 teachers assigned for handling affairs of bio group etc. Moreover the number of students in one class should be reduced so that teaching learning can become easy. Also a huge problem with scheduling, there's no strict time table or schedule for classes. Teachers don't even stress at education and it feels like they've lost hope on us, so eventually the students don't care too. Leave the extracurricular activities, we just need to learn our own discipline subjects nicely instead of just learning for the degree. Again as asked before, the numbers, performance in exams, assignments are NEVER discussed with students. Feels very alienated, since there's no bond whatsoever between students and teachers this no mutual respect too. Also for competition, extracurricular activities, we don't even get informed most of the times, even when we all have groups with teachers, most of the time teachers don't even send the basic notices in college groups even when they're admins and actively present. It feels like nobody cares about anything so students just have to do everything somehow all by themselves. No moral or emotional help from teachers too, most of them are just straight up rude. It feels like we're coming to college only for a degree and to pass, and teachers are coming just because they're getting paid and are obliged to teach. Very eerie atmosphere. Ignorant and cold, I mean I get it that we are young adults and we don't need that much level of support like school students but still, basic support? Basic respectful bond and help from teachers or authorities? Nope. I know nobody would even care to read this too leave implementing these. And if you'd raise issues and problems, people would say that "oh how much do you expect from a government college?" And we're forced to accept whatever we're getting. But sincerely, college has immense potential, the vision is amicable, only if authorities could take some sincere strict steps it'd be the best college in the whole country. Thank you for even bothering to ask students by this form, hope authorities or people responsible read these carefully and try to make the college better for everyone. -sincerely, a VYT Autonomous college student.

They come, teach us like pigs, take salary and go home..

Sab thik hai

Try to make better communication skills and provide proper information and notes for all the subject, provide fair marks whether it is practical marks or internal marks or marks for the semester main exam.

शिक्षक विद्यार्थियों से विनम्रता एवं नरमता से बर्ताव करें ताकि बच्चे घबराये नहीं और अपनी बात शिक्षकों के समक्ष रख सकें।

Projector ki suvidha honi chahiye jisse students ko samjhne (skills development) me help hoga or exam ke bad sahi dhng se copy check hona chahiye or (answersheet) isi ke hisab se result me number dena chahiye jisse students ko apni mehnat ka parinam mil sake

Thankyou

No suggestion

Teacher don't talk to students like friendly.They always talk to with us rudely.They don't talk to with us and If students ask them some inquiry then they told I don't know about it.

Suggestions

1. Teachers should briefly explain the practicals of each and every subject's minimum in a week, that students would be able to perform well in practical exams. But they complete the entire practical within a day or two.
2. Teachers should tell us what is the real life use of what they are teaching. But they are in a hurry to complete the entire syllabus without thinking whether the students are understanding it or not.
3. Teachers should guide us about our future goals.

Please treat all students equally.. boys and girl are same

Sab thik hi hai

To do better

Syllabus thik se complete kraye

Student or teachers ke beech ek achh communication hona chaiye

MA,Msc,Mcom सीट बढ़ानी चाहिए

Good good

Should not make partiality between students

Sabhi students ka class hota ya nahi or students ko samajh aa rha hai ya nahi iske jankari ke liye principal ko ya department ke head ko month me 1 bar class me jakar students se bat karna chahiye.

Make students understand what teachers are teaching

Some of the batches not got well teacher for teaching,and not look into there students

बच्चों द्वारा कोई क्वेश्चन किए जाने पर टीचर्स का रिसपांस अच्छा होना चाहिए । उनकी मन की झीझक & घबराहट को दूर करना चाहिए।

Education should be employment oriented and many professors should pay attention to providing study material to the students and taking regular classes, even if there are only 2 students, the teacher cannot teach due to less number of students... The political science department should be built in a separate and large place so that the students do not have to go and sit in any other class and there is a large and comfortable place for the teachers to stay.

Ek ko bass important nhi dena chahiye sab ko achhe se treat karna chahiye

Bachho se prem bhav rakhe . Unhe college me ho rhi sabhi galavidhiyo ka time pe notice dena chahiye WhatsApp group me. Weekly test Lena chahiye or jo galtiya ho unhe sudharana chahiye. Padhane ke tarike me badlaw karna chahiye

The institution should focus on the regular classes of every subjects. Some teachers are really so good in teaching but some fails to teach or clear our concepts properly that's why students use to skip those classes. We don't get any guidance from them. There is no proper management in college in case students have some queries regarding college, exams and additional information about any forms or something. And no any cultural programs even the annual functions are also not organised at college level.

First of all for semester exam teachers are not giving marks properly that why students even I also suffered, some of my colleagues are brutally failed or get atkt I also suffered by our institution after preparing hard for the semester exam. In our batch 75% students back in one common subject that is chemistry. So I request please at least give mark that the child is getting, they deduct the mark of their hardwork. Papers are attained very good but after seeing the result I get shocked and stuck in a troma that they give me less marks in 2 subjects and I get ATKT in 2 Subject's. I am very much shocked my trust towards the institute is destroyed very badly but any how I manage and I gone for the admission for second semester after seeing my result the teacher is saying that why and who is allowing you to take admission in second semester I am little cried from inside but I silently move from there after taking admission. Totally the institute behaviour towards students, study, marks allotment and result making process overall all the process are badly experience. Please give the proper mark that they are getting please don't play with students future. Second semester exam is going to held I request you to please give attention towards my complaint and take action and please safe the future of me and my colleagues. I will trust that it will never happen again for me or anyone in future.

Thank you

विभाग भूगोल के लिए नए एवं बड़े क्लास की व्यवस्था की जानी चाहिए। (क्योंकि छात्र/छात्राओं की संख्या अधिक है जिसके लिए विभाग छोटा पड़ जाता है, तथा बरसात में विभाग के सामने पानी भर जाता है जिससे आने जाने में समस्या आती है और फिसलन हो जाता है कृपया करके इसके सुधार करें)

पाठ्यक्रम एवं विद्यार्थियों के अनुसार विभाग पुस्तकालय में पुस्तकों की संख्या और नए नए पुस्तक उपलब्ध कराएं।
