**Minutes of the meeting of the Board of Studies for Session 2020-21 held on 17.12.2020 at 2.00 pm.**

- The BOS meeting of Department of Chemistry was held on 17<sup>th</sup> Dec. 2020 at 2.00 pm.

- The meeting began with the welcoming of external and internal members of BOS by the Chairman of BOS and Head of the Department, Chemistry.
- The syllabi of B.Sc. (Chemistry), B.Sc. (Industrial Chemistry), B.Sc. (Biochemistry), M.Sc. (Chemistry), Value-added course and Ph.D. (Chemistry) Course work were displayed to the external members.
- The revised syllabi of B.Sc. (Chemistry) and Ph.D. (Chemistry) Course work in accordance with CGHE Central Board and Hemchand Yadav University, Durg was decided to be adopted.
- The revised syllabi of all courses for B.Sc. Part II (Chemistry) was decided to be implemented from this Session. The percentage revision in courses range between **25-45%**.
- **Research and Publication ethics** has been added in Ph.D. Course work.
- New experiments have been proposed in the **Lab courses of B.Sc.** (Industrial Chemistry) and B.Sc. (Biochemistry) programs which has been approved after discussion.
- **New elective papers** entitled Nanomaterials and Nanotechnology and Organic synthesis have been proposed in M.Sc. Sem-III & Sem-IV and approved incorporating the suggestions from the external members and representatives.
- Revision in **Lab courses in M.Sc.** program was proposed as per need and suggestions of external members. New experiments have been included in **lab courses of all semesters**.
- A new value-added course of 30 hrs. duration has been proposed to add-on life skills and values. The course entitled **Chemistry of Food, Nutrition and Preservation** has been introduced with the objective to enable students to understand the importance of nutritional values of food and get to know of various preservation techniques.
- All the courses in B.Sc. (with Chemistry/Biochemistry/Industrial Chemistry), M.Sc. (Chemistry), Ph. D. programs and other optional courses focuses on **employability/entrepreneurship/skill development** and also includes **environmental aspect and laboratory ethics**.
- The curriculum framed is learning outcome based and the **Program outcome, Program specific outcome** and **Course outcome** has been clearly defined.
- Need for Certificate course was discussed and proposed. It was decided to introduce the **Certificate Course in Water and Soil Analysis** from next session on account of the prevailing pandemic situation.
- The external members appreciated the efforts done in the direction of curriculum updation and recommended inclusion of the new value-added course and elective paper of present-day relevance which along with **internship/training** will make students skill oriented, value oriented and employable.
- After discussion, taking into consideration the suggestions and recommendations of the external members, various representatives and faculty members of the department, the curriculum of B.Sc. (Chemistry/Biochemistry/Industrial Chemistry) for the Session 2020-21, M.Sc. (Chemistry) for Session 2020-21 and 2021-22 and Ph.D. Chemistry Course work was passed and recommended for approval by Academic Council and Governing Body.

### **B.A. Part I/II/III – English Literature**

The literature papers of B.A. I/II/III comprise of 3 sections: A, B & C

**Section A** - Contains objective/very short answer questions from the units mentioned in the syllabus.

**Section B** - Contains annotation of passage from the texts prescribed for detailed studies instead of short answer questions. It is worth mentioning here that in the paper of English Literature, annotation of passages is an important component as this tests the students' understanding of the text and also their writing skills.

**Section C** - Contains long answer questions from the units mentioned.

### **Syllabus M.A. English – 2016-17**

The recommendations of the Board of Studies of English for the curriculum of M.A. English I/II/III/IV semesters are as follows:

- The syllabus for M.A. Semester I/II/III/IV does not require any change. It is recommended for M.A. I and II semester 2016-17 and M.A. III and IV semester 2017-18 as it is.
- The Autonomous Cell of the college desires that the titles of the papers of M.A., M.Sc. and M.Com. I/II/III/IV semester should be different from each other so that there should be no confusion to the students. In case of M.A. English this change is not feasible as Unit IV of some papers contain translated works of the authors belonging to different ages. However, to avoid any kind of confusion, the title have been classified as Poetry I and Poetry II, Drama I and Drama II, Prose I and Prose II, Fiction I and Fiction II, Critical Theory I and Critical Theory II, Indian Writing in English I and Indian Writing in English II, American Literature I and American Literature II, Colonial and Post Colonial Studies I and Colonial and Post Colonial Studies II, Linguistics I and Linguistics II, for M.A. Previous and M.A. Final respectively.

The examination pattern will be:

1. The paper is divided into 3 sections A, B and C.
- 2.(a) **Section A** of the paper in which detailed texts are prescribed like poetry, Drama, Prose, Modern Poetry, Indian Writings in English and American Literature will contain annotation passages. It is worth mentioning here that annotation of passage is an important component as this tests the students' understanding of the text and also their writing skills.
