

SOCIETY OF BIOTECHNOLOGY

Every year, the Dept. of Biotechnology formulates its own student centric Society of Biotechnology with the aim to engage the students especially the PG students towards various activities of the department including research and development, societal service, involvement in the academic processes, participation in various scientific and cultural programmes of the college in order to develop self esteem, confidence and scientific and social temperament among the students of Biotechnology.

Every year office bearers of the society are being constituted by nominating PG students of the department on the merit basis v.i.z. –

1. President (M.Sc. Final- Topper),
2. Vice President (M.Sc. Previous- Topper),
3. Secretary (M.Sc. Final- Second Topper), and
4. Joint Secretary (M.Sc. Previous – Second topper)

These office bearers leads and coordinates various activities of the department as mentioned above and they present an ANNUAL REPORT every year on the occasion of inaugural function of the society of the Biotechnology and seek suggestions from academic and scientific community invited in the inaugural function.

Various activities of the society of Biotechnology includes-

The Society takes care of involvement of all PG students for various activities of the department, viz. –Societal Programmes, Societal Awareness Programmes, Analysis of Society based research activities, involvement of all members in seminar/ symposia/ time bound research projects etc. The members generally involves themselves in –

- Organization of workshops.
