ECO CLUB – IGNITION PROGRAMME - 2021

ON THE OCCASION OF EARTH DAY
April 20-21-22, 2021

ORGANIZED BY
DEPARTMENT OF BIOTECHNOLOGY & BOTANY

Climate change and other environmental degradation have broken our natural system, leading to new and fatal diseases as well as breakdown of the global economy. But just as climate change and Corona virus painfully remind us of the harm we have caused, Restoration of Earth is most essential need of the hour for survival of Organism and Humanity. We must restore our Earth not just because we care about the natural world, but because we live on it. Every one of us needs a healthy Earth to support our livelihoods, health and survival, and happiness. A healthy planet is not an option – it is a necessity.

The Department of Biotechnology and Botany have recognized five major themes to **RESTORE EARTH**.

1. Conservation and restoration of forest canopy.
2. Sustainability for food and Environment.
3. Ensured great Global Cleanup.
4. Enforcement of climate literacy.
5. Exploration of Global Earth Challenges.

The goal of **ECO CLUB** is to ignite next generation to ensure future prospects of **RESTORATION OF EARTH**.

We invite participation of Research Scholars, Post Graduate and Undergraduate Students to participate as per following schedule – banking on them of programme.

Category No. 1 – Concept Note: Submit one page only in A-4 size – double space – typed – PDF file till April 20, 2021, up to 5pm.

National Workshop on Intellectual Property Rights
 May 03 – 09, 2021

Organized by
 Department of Biotechnology
 Internal Quality Assurance Cell of the College
 Coordination Cell of Chhattisgarh Council of Science and Technology, Raipur

We recognise Intellectual Property as creation of mind: inventions, literary and artistic works, and symbols, names, images and designs used in commerce, it is a creation of human intelligence or mind.

Intellectual property rights (IPR) are rights assigned to the creators of intellectual property (individuals or organizations) regarding its extensive use. In the era of globalization and commercialisation it is our primary duty to convey the proper information about IPR to related stakeholders of the country.
