Govt. V.Y.T. PG Autonomous College, Durg

Feedback Questionnaire on Curricular Aspects

Session: 2020-21

Dear Employer,

Govt. VYT PG Autonomous college, Durg Government Vishwanath Yadav Tamaskar Post-Graduate Autonomous College, Durg is a leading higher education institution in Chhattisgarh. It is affiliated to Hemchand Yadav University, Durg. The college was accredited with grade 'A +' by NAAC in the third cycle, and has been recognized by UGC as 'College with Potential for Excellence' (CPE), receiving the grant under IIIrd Phase of the scheme.

The college has 21 teaching departments offering UG and PG programs in Science, Arts and Commerce streams leading to B.A., B.Sc., B.Com., BCA, B.Lib. & I.Sc. Degrees M.A., M.Sc., M.Com., PGDCA, M.Lib. & I.Sc. degrees. Some skill based self-finance courses are also being offered providing ample choice for selecting new subject combinations as Biochemistry, Computer science, Biotechnology, Electronics, Microbiology, Industrial chemistry etc. The institution has 16 research centres for PhD program in Physics, Chemistry, Mathematics, Botany, Zoology, Geology, Microbiology, Biotechnology, Hindi, English, Economics, Geography Political Science, Sociology, History, Commerce departments. The science departments have research collaborations with national and international institutes of high repute providing project- based learning and internship work experience to the students along with their regular studies. Many of the departments render paid as well as free consultancy services for sharing their knowledge resources for the benefit of institutions and society. A number of value-added courses and certificate courses have been introduced to enhance values and augment skills. Various co-curricular and extracurricular activities are regularly organized throughout the year to groom overall personality of students. The college has more than 100 regular faculty members with strong, committed and dedicated teaching ability, many of them have PhD as highest degree and they are actively engaged in research work.

Many graduates from our institution are working in government as well as private teaching organizations, research labs, Industries, and multi-speciality diagnostic centres. We would deeply appreciate if you can spare some of your valuable time to fill up this feedback form. It will help us to improve and provide you better employees in future. With reference to current recruitment needs, we understand that the students should be trained in such a way that they can focus on current technology advancement and the requirements in the industries and other organizations. They should have more communicative and have good attitude with exploring capability.

Please fill and score the attached format on a scale for the appropriate response and give your valuable suggestions for further improvement.

Name and Address of Company/ Institution _____

Name of Responsible Authority and Designation _____

Email address and Mobile number _____

Scale: 1. Strongly Disagree 2. Disagree 3. Neutral 4. Agree 5. Strongly Agree
