Karate Training Program

From 20.01.20 to 03 .02.20 (15 days)

Objective – To build self-confidence skills, confidence, resilience and focus in students.

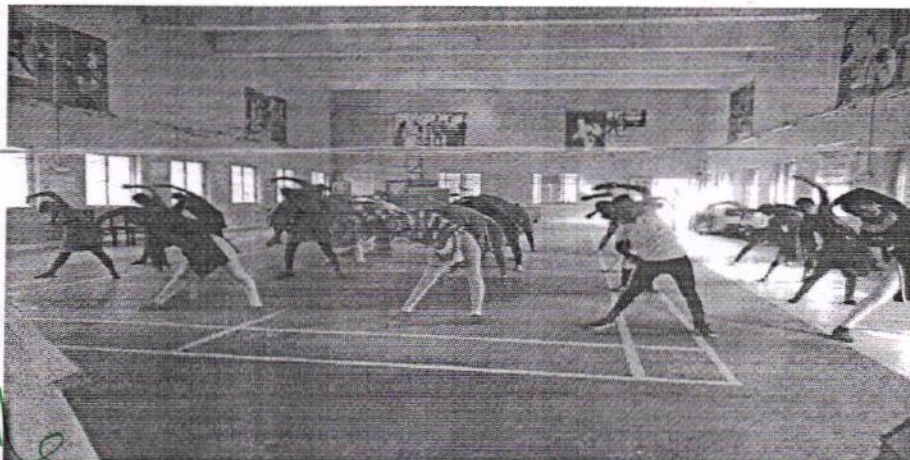

The sport promotes self-discipline, builds strength, flexibility and agility and instills values of honour, hard work and respect. Many programs teach confidence-building self-defense skills as well. Martial arts for women can help reduce feelings of inadequacy, boost self-confidence and self-esteem, while developing mental fortitude and resilience. The martial arts are a great way for people to develop self-confidence and feel empowered.

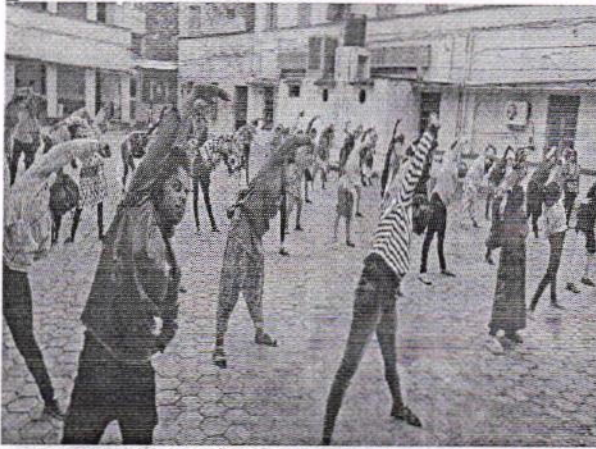

Karate and other forms of martial arts not only **build muscle**, but it also improves flexibility and balance over time. It also helps to build mental strength as it requires focus and discipline. Under above context a 15 days Karate training program from January 20 to 03rd February 2020 was organised by Women cell and Vishakha samiti of college.

The training was given by Mr. Deepak Kumar Gupta, General Secretary Alite Karate Academy C.G. and Mr, N.K. Kushwaha, President Alite Karate Academy C.G.

Training Program was conducted daily in two sessions daily, for this two groups of student were formed.

102 students participated and benefitted by this training program.

Essay Competition on women's judicial theme

16. 01.2017

Objective: To create awareness about legal rights of women.

In order to know how conscious women are about their judicial rights, a competition was organized on women's judicial subject Under the joint aegis of Women's Cell and Internal Complaints Cell of Govt.V.Y.T. PG Autonomous College, Durg,(CG), as per the instructions of the National Commission for Women, Government of India. Before organizing the competition, Prof. Dev Prakash of Law Department of our college engaged classes with the aim of making the girl students aware about the judicial subject. After that the competition was organized on the date 16th Jan. 2017. Multiple choice questions were asked in the competition organized on the judicial subject. All the questions were based on women's legal rights and social consciousness. A large number of college girls participated in the competition. This competition was very useful to create awareness about legal rights. Information about the level of awareness about the judicial rights of girl students was obtained from the competition.

prevent big crimes.

They can play vital role in abolishing anarchy prevailing in the society. Pandey urged the girls to register their existence as strong

women. She also gave information about keeping daily watch by Police and Raksha team members in plain clothes at public places, colleges, schools, talkies and markets. She told staring of women or girls, any male unnecessary physical touch, sending obscene messages, indecent jokes are non-bailable crimes. Hence they should always be alert for their own safety. She answered queries of students.

In his welcome address Principal Dr S Raiput said initiative of Durg Police in formation of Raksha team is very important. Girl students should treat Police department as their friend and take their help. Raksha team members, faculty members Dr Surekha Jain, Dr Sapna Sharma, Dr Neer Agrawal, Dr Merry George and large number of students were present.

Three-day awareness program on Self-defense
by

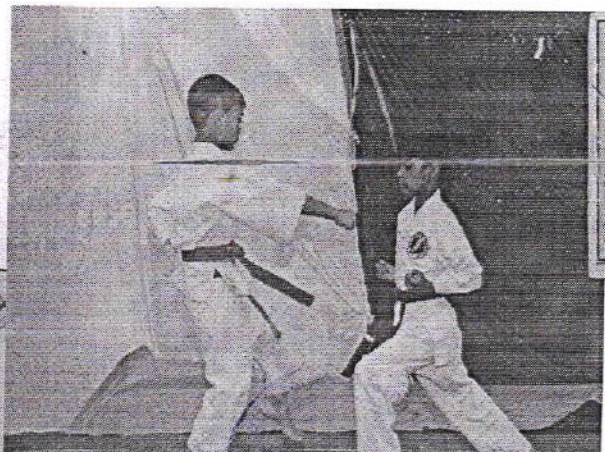

Budo Marshal Art Association, Chhattisgarh

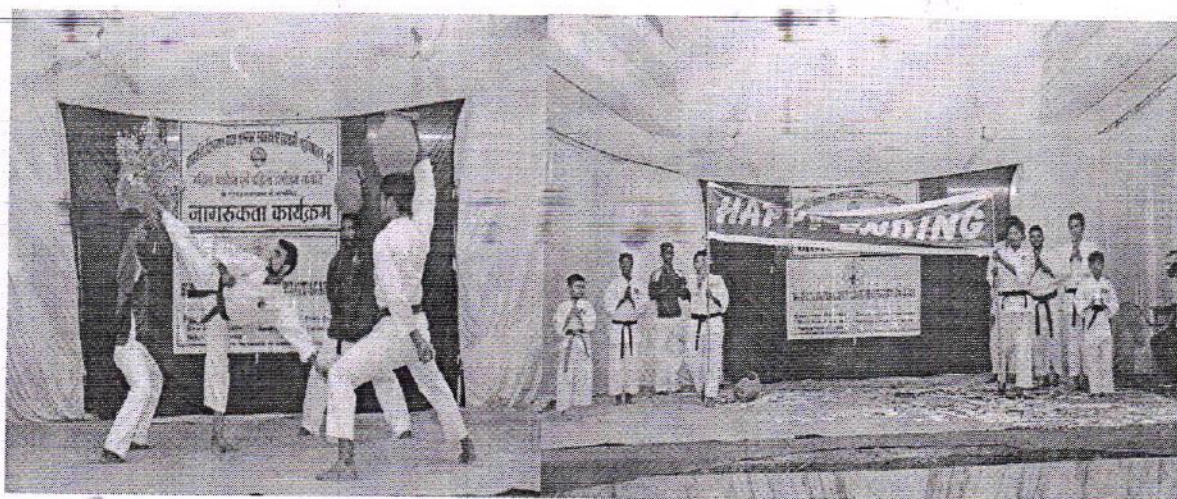

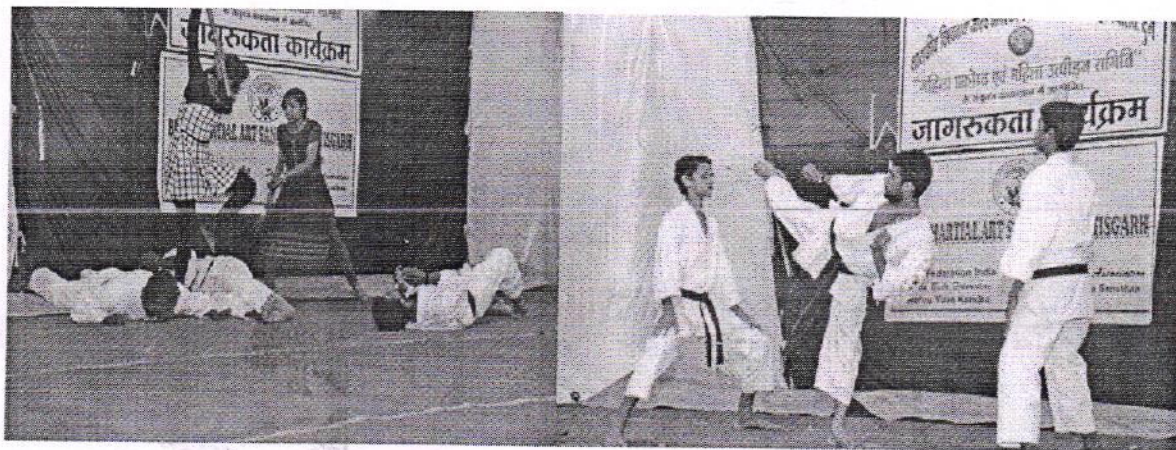

24th Sept. to 26th Sept. 2016

Objectives – To teach the art of self-defense to develop a well-balanced mind and body, through training in fighting techniques.

Self-defense and self-protection are the important priorities for women. The most common crime to happen to a woman is rape, but it is more about a feeling of dominance from one person over another rather than actual sex. The main aim of Martial Art training is to physically defeat other persons and to defend oneself or others from physical threat.

Three-day training program on self-defense was organized by Women Cell and Internal Complaint Cell (Vishakha samiti) for girls by **Budo Martial Art Association, Raipur, Chhattiagarh**. Total 31 Students attended this program.
