College, Durg (C.G.)**

The Department of Mathematics of Government Vishwanath Yadav Tamaskar Postgraduate Autonomous College, Durg, organized a grand celebration of National Mathematics Day. The objective of the program was to inspire students and enhance their interest in Mathematics by highlighting the life and achievements of the great mathematician Srinivasa Ramanujan.

Chief Guest

The Chief Guest of the program was **Dr. Kavita Sankure, Professor at Shaskiya Digvijay Autonomous College, Rajnandgaon**. She presented the life history of Srinivasa Ramanujan in a simple and inspiring manner. She acquainted the students with his struggles, dedication, and remarkable contributions to Mathematics, motivating them to learn from his life.

The Principal of the college, Dr. A.K. Singh, highlighted the importance of National Mathematics Day. He interacted with the students by asking short questions and encouraged them to understand the finer aspects of Mathematics and develop greater interest in the subject.

The Head of the Department, Dr. Padmavati, discussed various discoveries of Ramanujan and motivated students to continue striving for academic excellence. Dr. Rakesh Tiwari, Professor of Mathematics, explained the interesting and practical aspects

of Mathematics in daily life.

The successful organization of the program was supported by guest lecturers Dr. Shobha Rani, Dr. Swati Mene, Dr. Abha Sahu, Mrs. Bijma, and Mrs. Nidhi Sharma.

Events

Several competitions were organized as part of the celebration. In the **Poster Making Competition**, **Nikita** secured the **first position**. In the **Rangoli Competition**, **Monica Sahu** secured **first place**, **Vaishali** stood **second**, and **Dolly Sahu** secured **third place**. In the **Speech Competition**, **Raj Nandini Chauhan** secured **first position**, **Durgesh Nandini** **second**, and **Ayush Sahu** **third**. In the **Mathematical Ability Test**, due to a tie in marks among participants, winners were selected based on the shortest time taken to complete the test. **Monica** secured **first position**, **Jaya Sahu** **second**, and **Shreya** **third**.

Conclusion

At the conclusion of the program, prizes were distributed to the winners by the Principal and the Chief Guest. The vote of thanks was delivered by Dr. Prachi Singh.

Outcomes

The event proved to be highly informative and inspirational. The Department of Mathematics continues to organize such programs from time to time to nurture and promote the hidden talents of students.
