Report on Analysis of Alumni Feedback On Curricular Aspects (2019-20)

With quality sustenance as its focus, the IQAC of the institution has developed the feedback mechanism beginning with obtaining feedback from the various stakeholders through a structured rating-based feedback form for continuous improvement in curriculum. The College aims to offer the best possible learning environment to the students in order to empower them to accomplish to their full potential. Feedback from alumni help the institution to evaluated and understand the lacuna in the curriculum and place their responses on the basis of level of satisfaction. With these valuable suggestions, IQAC submit a report for further improvement of the curriculum, which can be forwarded to the various faculty members to consider in the meeting of Board of Studies.

Methodology:

The feedback from alumni on design and development of curriculum was obtained through Structured Questionnaire which included 09 questions on various aspects of curriculum and suggestion for further improvement.

A five-point Likert scale has been used with weights assigned from 1 to 5 to different levels as follows:

1- Strongly Disagree; 2- Disagree; 3- Neither Agree nor Disagree; 4- Agree; 5- Strongly Agree

The Range of each order or level is determined by the following formula:

$$\text{(Highest point in Likert Scale- Lowest point in Likert Scale)/ Number of Levels}$$

$$\text{Therefore, Range= (5-1)/5=4/5=0.8}$$

Hence, Range for:

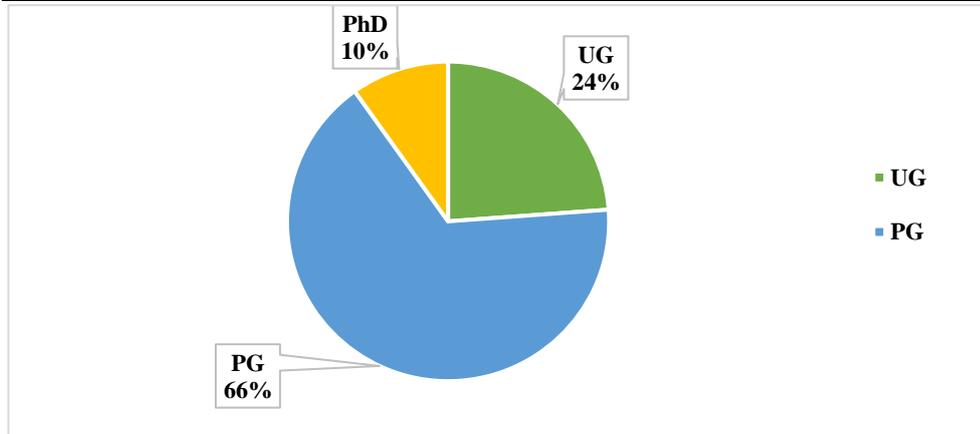

1	Strongly Disagree	1.0 to 1.8
2	Disagree	1.8 to 2.6
3	Neither Agree nor Disagree	2.6 to 3.4
4	Agree	3.4 to 4.2
5	Strongly Agree	4.2 to 5.0

Scale: 1. Strongly Disagree 2. Disagree 3. Neutral 4. Agree 5. Strongly Agree

S.No.	Particulars
1	Relevance of Curriculum: The Curriculum was relevant and career oriented.
2	Coverage of Course: The contents are adequate and sequenced appropriately.

Data Analysis and Interpretation:

The response of each question is tabulated as number of alumni responses on five-point Likert scale, percentage of responses, weighted score and weighted mean score.

Q. 1 Relevance of Curriculum: The Curriculum was relevant and career oriented.

Responses	Strongly Agree 5	Agree 4	Neither Agree nor Disagree 3	Disagree 2	Strongly Disagree 1	Total
Number	66	101	23	3	0	193
Percentage	34	52	12	2	0	100
Weighted Score	330	404	69	6	0	809
Weighted Mean Score						4.20

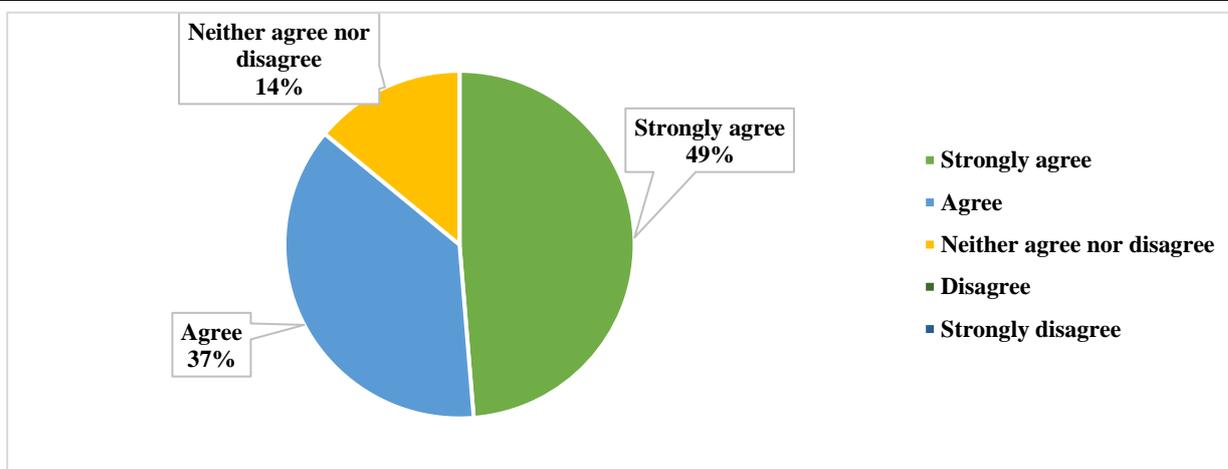

Out of 193 responses, 66 (34%) strongly agree that the curriculum was relevant and career oriented, 101 (52%) agree for the same, 23 (12%) alumni's views were neutral, however, 3 (2%) were disagree about the relevance of curriculum to career.
