### Cultural Activities

The Cultural Committee strives to celebrate the cultural diversity in the college by organizing various competitions, events, activities, programs, in each and every year. The Committee provides various opportunities for the students to relax and to enhance their skills and talents. These are organised by the Coordinator of the Cultural Committee in the college to address the inhibitions and stage fear of the students and these encourage them to open up. The cultural activities play a large role in building the mindset and attitude of the students. While performing specific art forms from other states and regions the students learn to respect the large cultural diversity that India has and the programmes showcase the harmonious relations amongst students.

Cultural activities are organised not only by the cultural committee but also by NSS, INSPIRE, Yuva Utsav committee and RED CROSS society. These are held both within the college as well outside the college campus. Students have been getting selected at Zonal level for last five years to perform further at the state level. At the National level Youth Festival Competition held at Ranchi University the students achieved the 3rd position in group song competition.
