National Workshop on Intellectual Property Rights

May 03 – 09, 2021

Organized by
Department of Biotechnology
Internal Quality Assurance Cell of the College
Coordination Cell of Chhattisgarh Council of Science and Technology, Raipur

We recognise Intellectual Property as creation of mind: inventions, literacy and artistic works, and symbols, names, images and designs used in commerce, it is a creation of human intelligence or mind.

Intellectual property rights (IPR) are rights assigned to the creators of intellectual property (individuals or organizations) regarding its extensive use. In the era of globalization and commercialisation it is our primary duty to convey the proper information about IPR to related stakeholders of the country.
